

27" x 16" Rectangular boat table kit (300-033)

Product description

Our rectangular table is great for L grouped seating. This awesome table is made of rugged polyethylene with 4 recessed cup holders for durability and resistance to corrosion, sun and saltwater.

Can be disassembled and stowed in minutes, simply un-twist and un-lock and stow, no drilling necessary. Floor base is surface mount so no holes to cut into the floor. Hardware attaches to molded-in holes on underside of table.

Package includes :

- Table top size: 27" x 16"
- Color: Off white
- 27" anodized aluminum table leg
- Powder coated aluminum table base
- 7" diameter powder coated aluminum floor base
- Black nylon floor base cap
- Mounting screws included.
- Assembled in minutes

Price A.N.P. Inc. : \$212.00
